Q: WHAT DOES YOUR TYPICAL DAY AT WORK LOOK LIKE?

Normally, I'd come in, make a cup of tea, then check through the customer shelf for urgent repairs and complete these before working my way through stock items and on-going repairs.

The nature of guitar/strings repairs can vary quite a lot so this could be anything from electronics repairs to headstock breaks and finish repairs.

Q: WHAT IS YOUR FAVOURITE PART OF YOUR JOB ROLE?

I enjoy the variety of repairs I do and that no two days are the same. I also like that I get to work on a wide range of guitars from beginner guitars to top of the range PRS and Gibson.

Q: WHAT DO YOU ENJOY THE MOST ABOUT WORKING AT GEAR4MUSIC?

Friendly colleagues, staff discount and opportunities to train and learn new skills. I've had the opportunity to train with Taylor guitars and become a certified Taylor repair technician.
